NOTE: The estimated gross cost of preparing the Report, the five Appendices and the Volumes of Evidence is £128,770, of which £45,000 is the estimated cost of sample surveys and £8,770 is the estimated cost of printing and publication: the latter sum covers the Report and the volumes published with the Report. Capitalism is an economic system based on the private ownership of the means of production and their operation for profit. Characteristics central to capitalism include private property, capital accumulation, wage labor, voluntary exchange, a price system, and competitive markets. The Allied occupation of Japan at the end of World War II was led by General Douglas MacArthur, the Supreme Commander of the Allied Powers, with support from the British Commonwealth.
