Study skills, academic skill, or study strategies are approaches applied to learning. They are generally critical to success in school, considered essential for acquiring good grades, and useful for learning throughout one's life. Pearson Prentice Hall and our other respected imprints provide educational materials, technologies, assessments and related services across the secondary curriculum. Keep it simple. Think of your notes as an outline of the lecture or reading. Focus on getting just the key words and points down so that you can keep up with the lecture or reading—you will have time later to review and fill in the gaps. Heiko Haller 31st July 2015 at 06:52. Hi Kate, thanks for this comprehensive and beautiful guide to notetaking! You mention Mapping as a technique, and that's where I come from.
