

Download Chertons Work People A Tale

Mark Twain once famously said "there was but one solitary thing about the past worth remembering, and that was the fact that it is past and can't be restored." Well, over recent years, The British Library, working with Microsoft has embarked on an ambitious programme to digitise its collection of 19th century books. Achetez neuf ou d'occasion "A Tale of Two Cities," Charles Dickens' 16th novel, is a perfect example of why the English author was so popular. The book is a tale of chaos, espionage and adventure set in London and Paris before and during the French Revolution. The social upheaval of the period serves as a backdrop for the drama that unfolds in the lives of the novel's main characters: Charles Darney, Sydney Carton, and Lucie Manette, the woman they love.
