

Download Chesterton And Other Essays

G. K. Chesterton Home Page. Provides information and resources about Gilbert Keith Chesterton. Includes some pictures and etext copies of many of his books, essays and poems. G.K. Chesterton (1874-1936) was one of the greatest and most prolific writers of the 20th century. A convert to Catholicism, he is well known for his Father Brown mystery stories and for his reasoned defense of the Christian faith. Chesterton is among my favorite authors, and this collection of essays lived up to my expectations. Ranging from reflections on Shakespeare and "penny dreadfuls" to essays on losing a piece of chalk and the Book of Job, these articles have a lot to offer by way of lessons on life, literature, theology, and philosophy.
