Hard hitting concise reviews and kick ass recommendations In every issue of Maximum PC we look at the latest hardware to give you the low-down on which components, systems, and software are actually worth dropping your cash on. It's no secret that fat people get a pretty raw deal. Aside from things like diabetes and heart attacks, they have to put up with the rest of us covertly filming them in Walmart and uploading the "hilarious" results to YouTube. October 5, 2012. Oh, I know. I know it's been a really long time since I wrote anything on here. A REALLY long time. I suppose that almost anyone reading this knows that I've been "talking" on Facebook rather than here.
