how to fix air conditioner? - air conditioner blowing hot air
In the front drivers side seat my seat belt is jammed it will not move at all, what I am wondering is if there is a way to replace the seat belt retractor mechanism with out replacing the seat it's selt.
Engine Cooling problem 6 cyl Two Wheel Drive Automatic 86,000 miles I have a 2001 sebring LXI 3.0L V6 Coupe, my cooling fans work when I turn compressor on and engine is fine I can hear the high speed fan kick in and all is good.
