

Download Client Vs Developer Wars

As of 30 November 2015, the games.on.net website and forum is no longer available. iiNet and the team would like to thank everyone who was involved in the community of readers, players, downloaders and lurkers alike for their support over the years. Microsoft had three strong advantages in the browser wars. One was resources: Netscape began with about 80% market share and a good deal of public goodwill, but as a relatively small company deriving the great bulk of its income from what was essentially a single product (Navigator and its derivatives), it was financially vulnerable.
