Are you proficient in MI health coaching? Has your work been evaluated by a credentialed specialist in MI, using a standardized, validated tool, and have you received personal feedback based on your performance? Accelerate clinical competency development with increasingly complex diagnostic reasoning challenges. i-Human Patients provides progressive clinical competency development from beginning to advanced students, residents and beyond. Coaching, or more accurately executive coaching, is one of the few rapid growth industries of the last few years. First accepted as a practice in executive development, it has spawned tens of thousands of practitioners. Hospital-Wide (All-Condition) 30-Day . Risk-Standardized Readmission Measure .
