'Cold Steel' is the story of the biggest and most hard-fought industry takeover in recent years, bringing to life the cut and thrust of big businesses at war with each ... "Steel" is a masterful telling of what made Pittsburgh the industrial powerhouse it became--from the days of iron to the age of steel, from the mud streets to the mammoth mills. I can assure you that despite my quite critical look at the markets and in doing my research to find the companies that stand out from the crowd, I get a lot of confirmation in my belief that the markets deserve to be approached with a willing and entrepreneurial attitude.
