

Download Comanche Moon 1 Catherine Anderson

After surviving an attack by Comanches that killed her parents, Loretta Simpson has been left emotionally scarred, unable to talk. Now living with her aunt, uncle and young cousin, she helps out on their farm. seit loretta mit ansehen musste wie ihre eltern von indianern grausam ermordet wurden, spricht sie kein wort mehr. inzwischen wohnt sie bei ihrer tante und führt ein halbwegs normales leben, bis ihr onkel entschliesst, sie an hunter vom stamm der comanchen zu "verkaufen". weil sie geschockt ist, immer noch das massaker ihrer eltern vor augen und ...NOTE: Catherine Anderson is excited to present the reissue of COMANCHE MOON, the first book in the Comanche series, an all-time favorite of legions of readers and also the story that Catherine feels launched her writing career. This book, originally published in 1990, has been out-of-print and very difficult to find for many years. Original editions can be very expensive. At long last, Catherine is able to deliver on her promise to get this classic tale back in circulation. I was so impressed, and even more intrigued and excited to read Comanche Moon, after having read Catherine Anderson's Letter to the Readers included at the beginning of the long-awaited 2008 reprint, that I have decided to share it with you here (below) in the hopes that it will encourage you to read this amazing book, too.
