Alcohol isn't actually that good of a sanitizer, but that's not really the salient point for eucharist. Everybody is a comedian these days, and the internet has given them a stage. Maybe the best example is Amazon.com. It's very simple: anybody can write a review, on any product, whether they have bought it or not. So it's just a matter of finding a baffling/ridiculous/useless product and watching the internet's sarcasm run wild. Comedy movies can do more than just make you laugh. Sure, they need to be funny – that's a given – but they encompass so much more than just humour. This series contains examples of: Action Mom: Thursday, in the later books. Adaptation Decay: Meta-examples abound, with the film version of Thursday's exploits bombing and her in-universe book adaptations flanderising her one way or the other.
