

# Download Comic Book Lettering Photoshop

Very interesting book. Despite being published in 2004, the concepts of colour theory, and layouts do not change. I liked the way the book was divided up so that traditional colouring and lettering were discussed first, then the use of De-facto Adobe Photoshop and Illustrator. Buy products related to comic book art supplies and see what customers say about comic book art supplies on Amazon.com FREE DELIVERY possible on eligible purchases Comic Artists Direct, your direct connection to comic book artists worldwide - articles and artwork After chattering about this subject a bit on Twitter, I thought I'd take a moment to discuss some of the things we're doing differently in lettering Errant Story, and why we're doing them that way.
