Helen Keller International's vitamin A supplementation program is one of our top-rated charities and we believe that it offers donors an outstanding opportunity to accomplish good with their donations. Overview.

GiveDirectly transfers cash to poor households in low-income countries primarily via mobile phone-linked payment services. It has operated since 2009 and is currently active in Kenya, Uganda, and Rwanda (launched in October 2016).¹ To date, GiveDirectly has primarily provided large, one-time transfers. The “World Climate Widget” from Tony Watts’ blog is probably the most popular deceptive image among climate “skeptics”. We’ll take it under the microscope and show what it would look like when done properly. Much has been written already in reviews, so I’ll stick to two things: comparing it to the previous Asus Flip c100, and using a stylus with it (something people thinking about the Samsung Chromebook Plus/Pro would be interested in).
