Conservation and Environmental Management in Madagascar (Earthscan Conservation and Development) - Kindle edition by Ivan R. Scales. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Conservation and Environmental Management in Madagascar (Earthscan ...Routledge is proud to publish across all areas of sustainability and the environment bringing the latest research on climate change, natural resources, sustainable energy, business and development to a global audience of researchers, students, sustainable practitioners and anyone interested in creating a sustainable future for all. The Convention on Biological Diversity (CBD), known informally as the Biodiversity Convention, is a multilateral treaty. The Convention has three main goals including: the conservation of biological diversity (or biodiversity); the sustainable use of its components; and the fair and equitable sharing of benefits arising from genetic resources. Water Resource Development in Ethiopia. The development of water resources for agricultural purposes on the one hand and rural water supply schemes on the other are the focus of our discussion in this section.
