CLiP IT Solutions offers Construction Industry Accounts, Job Costing and CIS Software for the UK Building Industry. Guests Accounting moves through life with you. Children grow, careers become businesses and families build wealth and assets that need protection. Secure future product margins in the early stages, when the design is evolving and master data is incomplete. With the SAP Product Lifecycle Costing solution, you can gain visibility across teams, proactively manage costs, and support new product innovations and customer-specific engineered products. Management accounting information differs from financial accountancy information in several ways: while shareholders, creditors, and public regulators use publicly reported financial accountancy, information, only managers within the organization use the normally confidential management accounting information
