

# Download Dada Art And Anti Art World Of Art

Dadaism . MAN RAY (1890-1976) 'Cadeau (Gift)' 1921 (Flat Iron with Brass Tacks) Dadaism or Dada was a form of artistic anarchy born out of disgust for the social, political and cultural values of the time. Dada (/ ˈ d ʌ d ʌ /) or Dadaism was an art movement of the European avant-garde in the early 20th century, with early centers in Zürich, Switzerland, at the Cabaret Voltaire (circa 1916); New York Dada began circa 1915, and after 1920 Dada flourished in Paris. Jean Arp was among the vanguard of the Dada movement. As someone who was both a Surrealist and a Dadaist, his art connected the older Modern aesthetic to the new one. Anti-art is a loosely used term applied to an array of concepts and attitudes that reject prior definitions of art and question art in general.
