Dead Heat is the 3rd book in the Bluegrass Series by Kathleen Brooks. The main storyline is continued from the previous two books and both the main characters were also introduced in the previous books. I really liked both Paige and Cole in the previous books and was really looking forward to their book. Kathleen Brooks is a New York Times, Wall Street Journal, and USA Today bestselling author. Kathleen's stories are contemporary romance, romantic suspense, and mysteries featuring strong female heroines, humor, and happily-ever-afters. Dead Heat Paige Davies just made two of her best friends ever, and she doesn't know if they will live to see the next morning... The third book in the Bluegrass Series picks up with Paige Davies trying frantically to save the lives of the two women that she has come to love as sisters, knowing she might be the next target.
