This Despatch, his official report on his war operations, gives Harris's own point of view in more detail than any other document. For many years Harris's Despatch was classified. When it was declassified it remained unpublished and was, in practice, accessible only to a small number of people who were 'in the know'.Chirurgie esthétique chez l'homme : le top 3 des opérations les plus demandées ?5 May 2000 - Published on Amazon.com Many of us remember Gregory Peck in 12 O'Clock High, a story of Command Bombing decisions over Germany. Reviewers of 12 O'Clock High, both the book and the movie, and perhaps even the authors, often confuse the hero with the American tactical leader(s).This is the first time that Sir Arthur Bomber' Harris's own papers covering his three and a half years at Bomber Command have been published and made available to the general public.
