Review of Digital Fundamentals (Custom Edition) by Thomas L Floyd: This book is a gem on digital logic and practical implementation. I think there are three camps to whom this subject is traditionally taught: pure computer scientists, computer/electrical engineers and technicians. This exam includes some parts all of the quizzes I offer but you may purchase separately if desired. [Looking for Study Period 4 textbooks? From Study Period 4 2018 it's even easier to find out which textbooks you'll need for your subjects—just look up the Textbooks section of your subject pages. Nina Dobrev is starting a couple important new chapters in her life. She was awarded the role of lead actress in a new primetime sitcom called *Fam*.
