

Download Diocletian And The Roman Recovery Pdf

Diocletian (/ ˈ d i o c l i ː ˈ n /; Latin: Gaius Aurelius Valerius Diocletianus Augustus), born Diocles (22 December 244 – 3 December 311), was a Roman emperor from 284 to 305. Diocletian, acclaimed emperor on November 20, 284, was a religious conservative, faithful to the traditional Roman cult. Unlike Aurelian (r. 270–75), Diocletian did not foster any new cult of his own. Diocletian wurde um 240 im lateinischsprachigen Teil von Illyrien (vielleicht in Dioclea in der Nähe von Solin) geboren; es finden sich unterschiedliche Angaben zwischen 236 und 245.
