Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. JSTOR is a digital library of academic journals, books, and primary sources. The following op-ed by Hanne Nabintu Herland concerns the Norwegian government's persistent soft spot for the Palestinians. It was originally published in Aftenposten, Norway's largest newspaper, on January 15th, 2013, and has been translated by the author.
