It goes beyond simply teaching the right moves - go to church, pray, read the Bible, share the gospel - and focuses on the music which drives discipleship: the love of Christ. Discipleship Explored has been crafted to help followers of Jesus discover the joy, unity, righteousness and love which are theirs in Christ. This eight-session journey through Paul's letter to the Philippians will help believers young and old to discover the greatest love anyone could ever know, and how to live as disciples of Christ Jesus today.
