HITS HR & Payroll solution fits different budgets via many editions, aligning with all business needs. know moreHR Resource Spotlight Find news & resources on specialized workplace topics. View key toolkits, policies, research and more on HR topics that matter to you. Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions. More companies than ever won't hire people who smoke. But is that legal — and is it worth it for employers? The University of Pennsylvania Medical System is the latest employer to announce it will no longer hire smokers.
