

Download Don T Let The Sound Of The Wheels Drive You

Don't Drive through Mexico or Central America: You Will Be Kidnapped, Killed, or Worse! Robotic vehicles, from Google to Mercedes, have arrived. So what form and purpose will these cars have when we finally let go of the wheel? My nephew has a handful of Hot Wheels cars that go on their own, make noise or music, etc. He's always loved them, and I thought they were pretty cool, too -- I thought this was one of those when purchasing it for my son.
