Samuel Johnson (18 September 1709 [OS 7 September] – 13 December 1784), often referred to as Dr. Johnson, was an English writer who made lasting contributions to English literature as a poet, playwright, essayist, moralist, literary critic, biographer, editor and lexicographer. Dr. Stephen Johnson is a gifted therapist and a master facilitator for the experiential journey that unfolds during his counseling sessions and workshops. 'A Reminiscence of Dr. Samuel Johnson' by H. P. Lovecraft ... The Privilege of Reminiscence, however rambling or tiresome, is one generally allow'd to the very aged; indeed, 'tis frequently by means of such Recollections that the obscure occurrences of History, and the lesser Anecdotes of the Great, are transmitted to Posterity. Samuel Johnson (1709-1784), oft-quoted biographer, poet and lexicographer wrote A Dictionary of the English Language (1755), published in two folio volumes.
