Everything I ever wanted to know about Vlad the Impaler was in this book. Now I know he is actually Dracula not Dracul (Dracul was his father), and that he was as brutal as he was heroic. Image Comics' *The Sword of Dracula*, a 2003 mini-series, is an unusual Dracula story with a descendant of Abraham Van Helsing, a tough-minded woman named Ronnie, battles not only our 15th century terrorist, but her own men who have no understanding of his powers or evil, and wonder why they're getting slaughtered.
