

# Download Drug Abuse Questions And Answers

What does the National Institute on Drug Abuse (NIDA) do? How does NIDA fund research? What drugs commonly cause problems, and how do they affect the body? The goal of drug abuse treatment is to stop drug use and allow people to lead active lives in the family, workplace, and community. One continual challenge, however, is keeping patients in treatment long enough for them to achieve this goal. Get the Facts on Substance Abuse Learn more about how to identify and cope with drug addiction, and find out how you can help a loved one or yourself start down the path to recovery.
