Free trumpet Sheet Music, free lessons, trumpet downloads and resources Composed by Alexander Arutunian (1920-), edited by Roger Voisin. Instrumental solo book for trumpet and piano accompaniment. Ab Major. Composed 1950. 29 pages. I only wish I had found this book years ago when I began studying jazz trumpet. If I had, I'd already have these tips under my fingers. The book gives some \*great\* bebop lines/patterns in all keys. Written for a wide variety of musicians, 15 Easy Jazz, Blues & Funk Etudes will appeal to both aspiring players and to more experienced musicians.
