

# Download Education Development Perspective

This NYCI resource for Global Educators, Youth Workers, Development Education practitioners, trainers, activists and changemakers working with young people provides you with activity plans and tools to explore the issue of Activism and the Sustainable Development Goals. Sustainability education (SE), Education for Sustainability (EfS), and Education for Sustainable Development (ESD) are often used interchangeably to describe the practice of teaching for sustainability. Traditional Marxists see the education system as working in the interests of ruling class elites. According to the Marxist perspective on education, the system performs three functions for these elites: Education for Human Flourishing: A Christian Perspective (Christian Worldview Integration Series) [Paul D. Spears, Steven R. Loomis] on Amazon.com. \*FREE\* shipping on qualifying offers. Education is arguably the foundation for human flourishing within any society. What do distinctively Christian educators have to contribute within the broad ...
