

Download Ever Wonder Why And Other Controversial Essays Thomas Sowell

Excellent book of essays by Thomas Sowell. He is gifted with common sense in a world that makes no sense at all. I read his autobiography and his personal story is inspiring as well. I love these little concise essays. Too bad all the politicians and government regulators don't read it. Thomas Sowell takes aim at a range of legal, social, racial, educational, and economic issues in this latest collection of his controversial, never boring, always thought-provoking essays. From "gun control myths" to "mealy mouth media" to "free lunch medicine," Sowell gets to the heart of the matters we all care about with his characteristically unsparing candor.
