

# Download Exercises For Three Finger Banjo

Cultivated in East Kentucky and North Carolina for over 100 years, the two finger picking style has almost been forgotten. Few “old timer” players have mastered this style but fortunately some committed players like Art Rosenbaum and Mike Seeger have preserved this heritage and kept the style present. The 4-string Tenor and Plectrum Banjos From the dawn of the 20th Century we see the arrival of banjos with only four strings - one fewer than the regular classic banjo. These instruments became popular in the early jazz movement where the added projection of a plectrum instead of flesh finger pads was needed in...**JACK HATFIELD'S LATEST MEL BAY BOOK! EXERCISES FOR THREE-FINGER BANJO** - Mel Bay MB99783 Forty-five years of learning, performing, publishing and teaching is the foundation for this unique book that will improve the technique and musical knowledge of players at any level. What is the Easiest Banjo to Play? You might be asking yourself what style or what type of banjo is easiest to play. Since all the styles have their challenges it might be best for me to describe the different techniques for you more clearly so you can decide which style and type of banjo to dedicate your time to.
