

Download Extinction Is Forever And Other Stories

Comment: A fine book. The item may have identifying markings on it or show other signs of previous use. A good condition book may have library markings on cover and notes or highlighting sentences on pages but the text cannot be unreadable. In future studies, human extinction is the hypothetical end of the human species. This may result from natural causes or it may be the result of human action. Read the article "Gone Forever" before answering Numbers 9 through 16 in the Answer Section. A snow leopard roars in the high mountains of Asia. A code hidden in the human genome will reveal the ultimate secret of human existence. And could hold humanity's only hope of survival. * * * Genome is the second and final book in A.G. Riddle's bestselling series, The Extinction Files.
