EMBED (for wordpress.com hosted blogs and archive.org item <description> tags)More than just a cookbook, The Farm is an homage to Knauer's grandfather and the property that has been in their family for generations. Knauer was a food editor at Gourmet, and he wrote a very memorable article on ordering a goat from a halal butcher. When Ian Knauer was a cook in the Gourmet test kitchen, he quickly became known for recipes so stupendously good that they turned the heads of the country's top food editors—effortless combinations that made the best of seasonal produce or treats from the Pennsylvania farm that has been in his family since the eighteenth century.
