Fences, Gates, and Bridges: And How to Make Them [George A. Martin] on Amazon.com. \*FREE\* shipping on qualifying offers. First published in 1887, Fences, Gates, and Bridges is an instructional guide to the best ways to build a variety of fences. Yard and garden fencing can be so much more than a solution surrounding a privacy issue however. Fences provide backdrops to garden beds, support planters, highlight ornamental pieces, and help keep certain plants under control as well. We formed in 1988 after having a professional interest in joinery and woodwork. Since then, Woodstyle has become well established within Cumbria and further afield as a local company that can be trusted to deliver the quality and workmanship you should expect from a bespoke joinery firm.
