Professor Mommy is designed as a guide for women who want to combine the life of the mind with the joys of motherhood. The book provides practical suggestions from the authors' experiences together with those of other women who have successfully combined parenting with professorships. To overcome anything in our life—whether panic attacks, fear, anxiety, depression, lust, anger, drugs, alcohol—we must know the truth. It is absolutely essential to find freedom. The chart clearly shows that VanillaJS is the winner and most routing frameworks are very slow. Interestingly though, Spirit can nearly keep up with plain performance, so performance-wise a framework might not even pose a disadvantage.
