Frank Lloyd Wright is considered by many the most influential architect in modern history, but despite his enormous cultural recognition, the full extent of his contribution to design — posters, brochures, typography, murals, book and magazine covers — remains relatively obscure. Book Description: Frank Lloyd Wright's mammoth contribution to architecture is universally acknowledged, but his graphic work has been largely overlooked in the existing literature about this seminal architect. Frank Lloyd Wright's mammoth contribution to architecture is universally acknowledged, but his graphic work has been largely overlooked in the existing literature about this seminal architect. Fowler (administrator, fine and decorative arts collection, Frank Lloyd Wright foundation) has written a thorough survey of Wright's graphic works.
