

# Download Free Chapter Books For 2nd Graders

Some great choices for read aloud chapter books for 3rd, 4th and 5th graders, including modern and classic titles suitable for children ages 8 through 12. Pearson Prentice Hall and our other respected imprints provide educational materials, technologies, assessments and related services across the secondary curriculum. I grew up reading Amelia Bedelia, I expected these books to follow similar story-lines, or at least just as silly. They were not nearly as silly, and I really don't feel that they are meant for 1st graders, I think they would be appropriate for 2nd and 3rd graders. First chapter books, or what I also like to call, "early chapter books" are books for kids ages 6-10. This is a tricky age to target because it is also the age when kids are first learning to read.
