In 1896, Minna Bernays, Martha Freud's sister, became a permanent member of the Freud household after the death of her fiancé. The close relationship she formed with Freud led to rumours, started by Carl Jung, of an affair. Psychoanalysis is a set of theories and therapeutic techniques related to the study of the unconscious mind, which together form a method of treatment for mental-health disorders. ABSTRACT . This paper investigates the association between Breuer and Freud around the treatment of Anna O. We situate Breuer's legacy in two modalities: a technical modality, represented by the cathartic method's procedures, and a result's modality, characterized by the product of the application of this technique.
