Friedrich August von Hayek was born in Vienna to August von Hayek and Felicitas Hayek (née von Juraschek). His father, from whom he received his middle name, was born in 1871 also in Vienna. That educating philosopher of whom I dreamed would, I came to think, not only discover the central force, he would also know how to prevent its acting destructively on the other forces: his educational task would, it seemed to me, be to mould the whole man into a living solar and planetary system and to understand its higher laws of motion. Marxism is a method of socioeconomic analysis that views class relations and social conflict using a materialist interpretation of historical development and takes a dialectical view of social transformation. Nearly two years before his powerful Communist Manifesto, Marx (1818-1883) co-wrote The German Ideology in 1845 with friend and collaborator Friedrich Engels expounding a new political worldview, including positions on materialism, labor, production, alienation, the expansion of capitalism, class conflict, revolution, and eventually communism.
