

Download Furies And Fireflies Over Korea

The Hawker Sea Fury is a British fighter aircraft designed and manufactured by Hawker Aircraft. It was the last propeller-driven fighter to serve with the Royal Navy, and one of the fastest production single reciprocating engine aircraft ever built. Developed during the Second World War, the Sea Fury entered service two years after the war ended. On 7 June 1950 Sydney steamed out of Port Jackson bound for England to embark two further RAN air squadrons, 808 Squadron (Sea Furies) and 817 Squadron (Fireflies).
