Culture and society. Gaelic culture and society was centred around the clann or fine, and the landscape and history of Ireland was wrought with inter-clan relationships, marriages, friendships, wars, vendettas, trading, and so on. Throughout the centuries, Gaels and Gaelic-speakers have been known by a number of names. The most consistent of these have been Gael, Irish and Scots. Evolution of Placenames: As people of various linguistic background have lived in Ireland, so the names have evolved. Gaelic names being Anglicised The most common evolution in Ireland occurred when English began to take over from the Gaelic languages as Ireland's dominant language. my god he is 75 and looks 20 years younger and is still hot . he is slim athletic and has all his hair
