Erotic romance novels are stories written about the development of a romantic relationship through sexual interaction. The sex is an inherent part of the story, character growth, and relationship development, and could not be removed without damaging the storyline. A novel is a relatively long work of narrative fiction, normally written in prose form, and which is typically published as a book. The entire genre has been seen as having "a continuous and comprehensive history of about two thousand years", with its origins in classical Greece and Rome, in medieval and early modern romance, and in the ...Ante Up (A Four Kings Security Short) Look but don't touch.
