

Download Ge Capital Solutions United States

GE Capital is the financial services division of GE, focused on serving customers and markets aligned with GE's industrial businesses. From emerging markets to developed economies, our focused team of finance experts connect capital to infrastructure and deliver innovative financial solutions that help make the world work better. GE Capital is the financial services unit of the American multinational conglomerate General Electric. It provides commercial lending and leasing, as well as a range of financial services for commercial aviation, energy, and support for GE's industrial business units. GECAS has one of the largest portfolios of aircraft in the world, from all the major manufacturers. We also have a substantial order book of new commercial aircraft. GE Capital Aviation Services (GECAS) is an Irish–American commercial aviation financing and leasing company. It is the largest commercial airline leasing/financing company in the world by number of aircraft. GECAS is a subsidiary of GE Capital, the finance arm of the large conglomerate, General Electric.
