Due to a lack of surviving accounts, little is known about Plato's early life and education. The philosopher came from one of the wealthiest and most politically active families in Athens. Genre studies is an academic subject which studies genre theory as a branch of general critical theory in several different fields, including the literary or artistic, linguistic, or rhetorical. Why is film becoming increasingly important to philosophers? Is it because it can be a helpful tool in teaching philosophy, in illustrating it? Or is it because film can also think for itself, because it can create its own philosophy? In fact, Academia.edu is a platform for academics to share research papers.
