

Download Getting Started In Employee Stock Options

An A to Z guide for understanding employee stock options (ESOs). In *Getting Started In Employee Stock Options* authors John Olagues and John Summa provide a full understanding of ESOs and demonstrate how to make the most of them. Employee stock options are one of the best tools to create a culture of ownership among workers. They can also give companies exceptional leverage to attract, retain, and motivate the most talented people in the field. Stock Option Plans are an extremely popular method of attracting, motivating, and retaining employees, especially when the company is unable to pay high salaries. We present an overview of how they work. Overview + Voya Financial Advisors can help you set goals and create a plan to help you reach your long-term financial goals. Setting yourself up for success doesn't need to be difficult — start your journey toward retirement here.
