

# Download Goldfrank S Toxicologic Emergency

Welcome to Goldfrank's Toxicologic Emergencies Online Learning Center. The most trusted, rigorous, and up-to-date toxicology resource and educational companion available – now in full color. This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. The general approach and initial management of the child who is suspected to have ingested or inhaled an unknown poison is reviewed here. Specific issues relating to the foreign body ingestion pathway takes a step-by-step approach to the evaluation and treatment of a child who has ingested a foreign body.
