Get the latest science news and technology news, read tech reviews and more at ABC News. Get the latest headlines on Wall Street and international economies, money news, personal finance, the stock market indexes including Dow Jones, NASDAQ, and more. Be informed and get ahead with ...Rat populations, specifically Norway and Roof rats, are on the rise all over the United States, particularly in urban areas. Known as carriers of disease, these creatures are drawn to areas of dense human population where they can easily find food and places to establish nests. Along with Rush Limbaugh and Sean Hannity, leading conservative radio host Mark Levin reaches tens of millions of listeners weekly, and what he talked about recently on his nationally syndicated show has sent shivers down the spines of many of them.
