

Download Grandmothers Scrapbook Judy Pelikan

Grandmothers have stories to tell. Grandmother's Scrapbook, a keepsake journal with lovely quilt inspired illustrations by Judy Pelikan, offers grandmothers not only the chance to tell their stories in their own words, but a beautiful family book to record the words and images. Scrapbooking is to today's families what quilting was to the women of 19th-century America, with family heritage enjoying a revival among today's crafters.
