Growing Apart: Oil, Politics, and Economic Change in Indonesia and Nigeria (Interests, Identities, And Institutions In Comparative Politics) [Peter Lewis] on Amazon.com. \*FREE\* shipping on qualifying offers. Growing Apart is an important and distinguished contribution to the literature on the political economy of development. Etymology. The name Nigeria was taken from the Niger River running through the country. This name was coined in the late 19th century by British journalist Flora Shaw, who later married Lord Lugard, a British colonial administrator. JSTOR is a digital library of academic journals, books, and primary sources. India's mega Hindu festival begins under cloud of toxic air, a sign that government officials are struggling to grapple with the country's worsening...
