

# Download Harbor Freight Trailer Hitches

Product Features Up to 500 pound capacity - fits any 2 inch receiver style receiver hitch Save on utility trailers and utility trailer accessories to suit all types of small trailers at Harbor Freight. Deep discounts on complete trailers, tires and more. Harbor Freight Tools does not endorse any other business or organization or any technique in any customer and/or fan video. Always follow all of the instructions and warnings included with our products. We do have trailer hitches that are a confirmed fit for the 2018 Honda Civic EX as long as it does not have center mount exhaust. For a sedan or hatchback you'd want the part # 24954 from Draw Tite and you'd be set! For a bike rack then I really like the Saris Freedom SuperClamp part # SA4025F. This
